

JUAREZ RACES END IN BLAZE OF GLORY

Long Winter Season of 114 Days
of Speed Contests Comes
to Close.

Juarez, March 22.—The long winter season at Juarez comprising 114 days of racing wound up this afternoon in the proverbial blaze of glory. The card of seven races was a splendid one, and furnished good sport. Among the distinguished visitors were Manuel Chao, Governor of the State of Chihuahua, and Mrs. Francisco Villa, wife of the rebel commander-in-chief. As is usual on get-away day, favorites fared very poorly, the center being the only pronounced choice to secure a place in the victory of long-priced horses. The former race went to the lightly-weighted Lady Pancha, which won by a half length from Seneca, with Furlong, third. The Ortiz handicapper turned out a long shot, Ortiz Krippe, winning by a length. Dorothy Dean got the place.

Second race—one mile—Stanley, 110 (O'Brien), 7 to 1, 2 to 1 and 1 to 1, even, second, Ursula Emma, 105 (Marcel), 29 to 1, 2 to 1 and 2 to 1, third, Time, 1:38.3-5. Bida, Compton, Freda Johnson, Nila, Sir John, Lady Lilla, also ran.

AMERICAN ATHLETES TRAIN FOREIGN TEAMS

New York, March 22.—The ranks of former famous athletes now serving as Olympic trainers in Europe, will be augmented on Thursday by the sailing of Alfred Forbes Jr. Copeland to become head coach of the American Olympic team for the Berlin games of 1916, enplaned in the fourth train, with a brilliant American athletic record to be signed to coach foreign track and field teams for the Olympic games two years hence. He follows Ernie Hartberg, Sweden's coach; Alvin C. Kraenzlein, Germany's coach; and W. C. Knox, England's head trainer. In addition to these men, other famous American athletes, including James Lightbody and Joseph Horner, either have signed or are considering secondary or specialty coaching positions abroad.

Low Average Age.
The theory that a lawn tennis player of former fame is not at his best until he has passed his thirtieth year, has received a severe setback in amateur tennis this season. Taking the past six years as a working basis, it is seen that whereas the average age of the first ten players in 1908 was twenty-seven years, the 1913 group showed an average age of 25 1-3 years. The present low average age is accounted for by the presence among the
